PROJECTS

Food Finder | <https://github.com/Ethanl150/FoodFinder> | <https://ethanl150.github.io/FoodFinder/>

- An application that allows the user to search for places at which they can eat in Philadelphia.
- Worked primarily on API research and integrating the display of the results via AJAX.
- Featured technologies: JavaScript, Foundation, Google Maps API, Zomato API

Fyre | <https://github.com/Ethanl150/Fyre> | <https://fyre-app.herokuapp.com/>

- An application that allows the user to quickly discover and save music.
- Worked primarily on design, API research, and integration of the Web Playback SDK.
- Featured technologies: JavaScript, Bootstrap, MySQL, Spotify API, Handlebars

Singularity | <https://github.com/Ethanl150/Singularity> | <https://singularitytcg.herokuapp.com/>

- A virtual online competitive card game including real-time multiplayer.
- Worked primarily on the database and developing pages.
- Featured technologies: JavaScript, React, Materialize, Mongoose, Passport

WORK EXPERIENCE

Buck Company, LLC.

Quarryville, PA

Metal Pourer

07/2019 - 01/2020

- Worked in a team and operated ladles to pour metal into molds for the production of ferrous and non-ferrous castings.
- Learned and developed quickly, improving the company's quality and quantity of castings poured under the ladles I operated.
- Received increase in pay and highly commended by supervisor, lead, and coworkers.

Dutch-Way Farm Market

Gap, PA

Produce Clerk

06/2017 - 07/2019

- Started with stocking shelves, preparing fruits and vegetables, helping in the cooler, and cleaning.
- Advanced quickly in quality of work and discovered more efficient ways to accomplish tasks.
- Promoted to full-time within 5 months of starting, and received 4 pay raises in total.
- Began requesting and receiving orders for the department, organizing and overseeing the cooler, leading the department when the manager was not available, and more.

- Highly commended by managers.

EDUCATION

Certificate in Full-Stack Web Development: Penn LPS Coding Bootcamp

04/2020
